FRIDAY EVENING.—Mr. Dearness will deliver a public address upon Scientific Temperance.

Because the Queen's Birthday occurs on Thursday, the Managing Committee thought the attendance at the Association would be increased by selecting the two following days.

Teachers present on Friday will record, on their registers, for that day, the attendance of Wednesday so that no portion of the grant may be lost.

U. P. E. — As the Limit Table hitherto followed is not in harmony with the present official programme, and the supply also exhausted, necessary changes should be made before another issue, therefore teachers should come prepared to make suggestions.

J. Dearness, Esq., is Inspector of East Middlesex and a member of the Central Committee, and one of the most practical and prominent educationists of the province. He was with us 4 years ago and gave such valuable assistance that the Committee was pleased in again securing his services.

A. BUTCHART, President.

J. KEITH, Secretary.
